All our recipes contain natural and healthy supplementation											
BioHealthTM		Contains mannaoligosaccharides & beta-glucans to help eliminate bad bacteria in the gut									
		Contains mixture of poly & oligosaccharides, a food source for good bacteria, extracted from chicory roots									
LactoHealthTM		Contains unique probiotic, non-pathogenic bacterial cultures along with vital enzymes									
+ Nutraceuticals		Glucosamine, chondroitin, yucca, kelp and wholegrain linseed
